

**THE APPRENTICESHOP**

*A school for traditional boatbuilding & seamanship*

**Summer Workshops for Adults 2010**

*643 Main Street, Rockland, Maine 04841*

Back by popular demand! The Apprenticeshop will host a series of hands-on workshops available to students age 16 and older. Class size is limited and classes fill on a first-come first-served basis. Your deposit will hold your seat. Full payment is due two weeks before start of workshop. Thank you!

**TRADITIONAL WOODEN BOATBUILDING WORKSHOP (Two weeks)**

Learn the basics of all wood, plank-on-frame construction in this two week, intensive hands-on course. Multiple boat projects will let you try a variety of construction techniques including lofting, framing and planking (carvel and lapstrake.) A great introduction to the fundamentals of traditional boat building! Some woodworking experience is helpful but not required.

Classes meet Monday—Friday from 9:00 a.m. to 5:00 p.m. Class size limited to eight.

**Session I—July 5-16**

**Session II—July 26-Aug 6**

**Session III — Aug 16-27**

**Fee: \$1200.00**

**TRADITIONAL SAILING WORKSHOP (One week)**

A fantasy camp for wooden boat enthusiasts! Spend a week sailing and rowing a variety of traditional wooden craft on Rockland Harbor. Learn the history behind the boats as you handle a gaff-rigged ketch, row a dory or sail a classic racing sloop. Basic sailing skills are helpful, but not necessary.

Classes meet Monday—Friday from 9:00 a.m. to 5:00 p.m. Class size limited to six.

**Session I—July 19-23**

**Session II—Aug 9-13**

**Fee: \$600.00**

**INTRODUCTION TO WOODWORKING FOR WOMEN (One week)**

Learn the basics of woodworking and the proper use of hand and power tools in an encouraging environment. No previous experience required; all tools and materials provided.

Classes meet Monday—Friday from 9:00 a.m. to 5:00 p.m. Class size limited to eight.

**Session I—Aug 30-Sept 3**

**Fee: \$500.00**
